Saxo Capital Markets Turkey named country's "Best Derivatives Products Service Provider" by FX WORLD Expo Istanbul

Saxo Capital Markets Menkul Değerler, Saxo Bank's Turkey subsidiary, has been named "Best Derivatives Products Service Provider" in Turkey at the FX World Forex and Derivatives Expo.

The FX World Expo event was attended by a host of global players as well as most local, financial institutions in Istanbul. Voting for the award was conducted by the Expo participants and visitors during the conference.

Head of Saxo Bank's Turkey office in Istanbul, Egemen Kaya accepted the award at the event which ran from September 25 -28.

Egemen Kaya commented: "We are delighted to be recognized by Turkish investors as the leading online multi-asset trading and investment specialist in providing FX and derivatives trading in Turkey. Saxo Bank has an award winning multi-asset trading platform which enables cross product margin calculation. This most recent award win further strengthen our position in Turkey through superior service quality in all aspects of trading. We will continue to invest on our people and in developing our multi-asset offering technology globally only to be the best provider in the world."
