IMPORTANT TO NOTE:*Request for Proof of Remittance*

Please note that we are required under the Anti-Money Laundering rules and regulations to request for and verify proof of remittance from our clients. Although such request may not be made immediately upon making the bank transfer, Saxo Capital Markets reserves the right to request for such proof at a later date. If the client is unable to furnish such proof of remittance within a reasonable period of time, we are entitled to limit or restrict the client's access to payment via internet banking transfer.

No Postponement of Margin Stop-Outs

Margin stop-outs cannot be postponed based on funds that have been debited from your account with your bank. Payments into your account are deposited only on the condition that such funds have been cleared and received by Saxo Capital Markets.
